SECURITY ALERT™

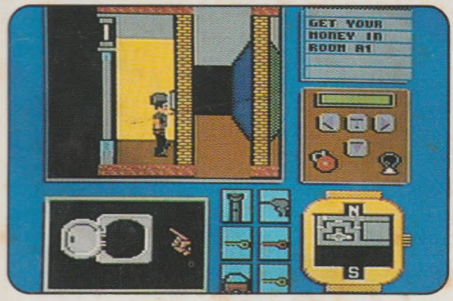
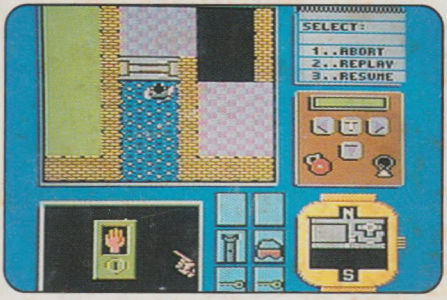
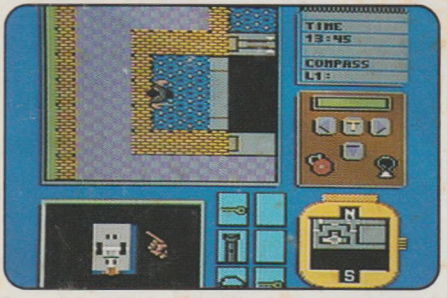
Programmed by: Mike Livesay



Close-up window allows you to manipulate tools and objects.



Top and side view graphics help you find your way around.



Beware of the many detection devices that may alert the guards to your presence.

Are you a master spy?

Do you have the stealth and cunning of a jewel thief... a calculating mind for espionage... and fearless daring to penetrate the most sophisticated of defenses? SECURITY ALERT™ will test your nerve and wits to the limits!

This real-time fully animated strategy adventure, pits you against the latest high tech security systems in the world. Race against time to foil numerous ingenious devices and traps as you attempt to heist jewels, steal secret documents or escape with rare Egyptian treasures.

Five realistic scenarios, 15 buildings, multiple-perspective graphics and three difficulty levels add to the intrigue and challenges. You'll face a maze of over 1,400 rooms with security defenses at every turn--roving guards, hidden cameras and microphones, infrared beams, motion and heat detectors, weight sensitive floors, key pad security locks and much more! Can you find the right tools to escape detection, discover where the goods are hidden, and successfully crawl, walk or jump to make your escape?

Only the most devious and daring can survive SECURITY ALERT!

Capstone
THE PINNACLE OF ENTERTAINMENT SOFTWARE

Capstone – *Webster's* defines the word as "the finishing stone of a structure." IntraCorp has selected this word as the name for its new entertainment computer software line. Billed as "the pinnacle of entertainment software," the Capstone name is your assurance of top quality, state-of-the-art programs that provide hours of entertaining challenges for game players of all ages. From the 3-D animation of the roulette wheel in *Trump Castle*, to the digitized Titanic photos in *Search for the Titanic* to the arcade action of *Miami Vice* and the spell-binding realism of *Cardinal of the Kremlin*, count on Capstone software for quality entertainment computer programs.

Trump Castle: The Ultimate Casino Gambling Simulation

THE ULTIMATE Casino Gambling SIMULATION

Based on the Trump Castle Hotel and Casino by the Bay in Atlantic City, *Trump Castle: The Ultimate Casino Gambling Simulation* offers more games, more slots and more realistic action than any other computer gambling software on the market today. Enjoy six popular casino games – Blackjack, Roulette, Craps, Keno, Video Poker, and Slots.

Face the challenges and thrills, the choices and chances of real-life casino action. Game play follows the rules and regulations of the New Jersey Casino Control Commission. And, every package includes a coupon worth $300 in discounts at the Trump Castle casino in Atlantic City. The glitter, the glamour, the gambling excitement of *Trump Castle* awaits.

$34.95 *for: IBM and compatibles with 256K and CGA or EGA (5¼"disks); Commodore 64 and 128 (in C64 mode); Apple IIe and IIgs (5¼" disks)*

$39.95 *for: Commodore Amiga; Atari ST with color monitor; 3½" disk versions of IBM or Apple.*

Search for the TITANIC

Search For The Titanic

An Oceanographic Adventure/Simulation

Experience the challenges and dangers, the excitement and reality of scientific underwater exploration. *Search For The Titanic* was reviewed for authenticity by the staff of the Woods Hole Oceanographic institution, the organization that first discovered and photographed the Titanic wreck.

The program includes over 75 wrecks to explore, more than 100 navigational maps and charts and 47 ports of call. You plan each expedition – obtaining funding, a ship, personnel and equipment – then chart the course, battle the elements and dive on wrecks, building experience and expertise. Discover the Titanic and be rewarded with digitized pictures of the actual shipwreck as it sits on the ocean floor today.

$29.95 *for: Commodore 64 and 128 (In C64 mode)*

$39.95 *for: IBM and compatibles with 256K and CGA or EGA (5¼" disks); Apple 3½" disks*

Miami Vice

Interactive Arcade Action

Join Crockett and Tubbs as they fight crime, Miami style! Take the Ferrari on a chase through the Art Deco district. Race the speedboat to Stiltsville. Search the warehouse for contraband. Based on the popular TV series filmed in IntraCorp's hometown, *Miami Vice* offers nine colorful levels of interactive arcade action.

MIAMI VICE

Grab your Ray-Bans and forget the socks – Get ready for a *Vice* invasion, coming to your computer screen, soon!

$29.95 *for: Commodore 64 and 128 (in C64 mode);*

$39.95 *for: IBM and compatibles with 256K and CGA or EGA Commodore Amiga; Atari ST with color monitor;*

CUSTOMER LICENSE AGREEMENT

A. LICENSE: IntraCorp, Inc. (hereinafter called IntraCorp) grants to you a non-exclusive license to use the IntraCorp program (hereinafter called the Program) under the terms and conditions contained in this agreement.

You may physically transfer the Program from one computer to another provided that the Program is used on only one computer at a time. You may not electronically transfer the Program over a network to any other computer. You may not distribute copies of this Program or backup copies of the Program to any other party; or distribute the Programs documentation or file and data output produced by the Program. You may not modify or translate this Program or documentation for this Program without the express written permission of IntraCorp.

YOU MAY NOT USE, COPY, MODIFY, OR TRANSFER THE PROGRAM, OR ANY COPY OR PORTION OF THIS PROGRAM, OR ANY MODIFICATION OF THIS PROGRAM EXCEPT AS EXPRESSLY PROVIDED FOR IN THIS LICENSE.

B. COPYRIGHT: This program and related documentation and Program packaging are copyrighted. You may not copy the Program or its related documentation and packaging, or the Program's files and data output. You may load the program into the computer in order to execute and run the program on the computer.

C. TERM: The license is effective until terminated. You may terminate this license by destroying the Program's disks and Program documentation. The license granted will terminate if you violate or fail to comply with any term or condition herein contained. You agree in the event of license termination to destroy all copies of the Program and the Program documentation and Program packaging.

D. LIMITED WARRANTY: IntraCorp, Inc. warrants to the original licensee who purchased this software product that for a period of ninety (90) days from the effective date of purchase of this software product that under normal use the material of the magnetic diskette(s), will not prove defective, and that the program is properly recorded on the diskette(s). Defective diskette(s) returned by the original licensee to IntraCorp. during the ninety day period will be replaced free of charge, if the defect has not been caused by abuse, mistreatment, unreasonable use, or neglect. The sole right of the licensee with respect to a defect in the software product shall be replacement of the diskette(s).

THIS WARRANTY IS LIMITED TO THE MATERIAL ON THE MAGNETIC DISK ONLY AND DOES NOT APPLY TO THE OVERALL SOFTWARE PROGRAM. THE SOFTWARE PROGRAMS ARE SUPPLIED "AS IS". INTRACORP DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS AS TO THE USE OF, OR THE RESULTS OF THE USE OF THE PROGRAM IN TERMS OF CORRECTNESS, RELIABILITY, ACCURACY, CURRENTNESS, OR OTHERWISE; AND YOU MUST RELY ON THE PROGRAM AND RESULTS SOLELY AT YOUR RISK.

In order to return defective diskettes you must call the IntraCorp Customer Service department (305) 252-9040 and request a RMA (Return Merchandise Authorization) number. All diskettes must be sent postage paid and properly packaged to IntraCorp, Inc. at 14160 SW 139th Court, Miami, Florida 33186. All diskettes must be accompanied by proof of purchase if within the ninety day warranty period. Please give a shipping address to send the replacement and include a note describing the defect.

EXCEPT FOR THE LIMITED WARRANTY DESCRIBED HEREIN, THERE ARE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED ORAL OR WRITTEN, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE MADE TO THE LICENSEE. INTRACORP, INC. WILL NOT BE RESPONSIBLE FOR ANY DIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, SUCH AS, BUT NOT LIMITED TO, LOSS OF PROFITS RESULTING FROM THE USE OF THE SOFTWARE OR ARISING OUT OF ANY BREACH OF THE WARRANTY, EVEN IF INTRACORP, INC. HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. Some states do not allow exclusion or limitation of incidental or consequential damages, therefore the above limitation may not apply to you. Further, this warranty gives specific legal rights, but you may have other rights since rights vary from state to state.

E. REPLACEMENT OF DISKS. After the Ninety day warranty period IntraCorp, Inc. will replace any defective diskette(s) for a $6.00 charge per diskette.
